

BESPOKE
Autowerks

INTRODUCING

Pomponazzi®
Trakpro

TO THE
GOLD COAST

YOUR CAR,
YOUR WAY

Your one-stop-shop for the best vehicle customisation, detailing, parts, and accessories all tailored to suit you. Located on the Gold Coast we are able to service the metropolitan region of south-east Queensland with the ability to provide our products nationwide. The Bespoke Autowerks team offer a catalogue of tailor made vehicle services, including paint protection, vehicle tracking, photography, vehicle detailing, exotic vehicle hire, body kits and accessories. All work is carried out by our professional automotive team with high standards and only the best quality car care products and accessories are used to ensure exceptional results that last.

Pomponazzi®

Pomponazzi is the World's No.1 Real Quartz Glass Protection Coating. It not only enhances the surface finish, it also increases the scratch resistance, surface protection and water repellent capabilities. Protecting your automotive, marine, residential and commercial assets with a better than showroom finish with minimal cleaning required.

Trakpro

Trakpro provides quality GPS tracking devices for vehicles and telematics solutions to both large and small sized fleets or personal vehicles across Australia. All our products make use of high-tech GPS tracking equipment, the Internet and other wireless communications that make real-time monitoring of information such as vehicle or valuable asset positions possible.
